Documentation of KSA Reports

1. You will recall that we recently discussed the question of documentation of KSA reports. The objective of eliminating or reducing current documentation was to speed up the editing, typing and reproduction of these reports. There was no question of elimination of the

25X1X8

2. Documentation could be reduced by referring only to the key source references, and using textual devices to indicate origin such as, "Official Soviet announcements state that heavy pin production was 3,000,000 units in 1957."

3. Documentation could also be reduced by confining it to a brief appendix of a page or two which would discuss principal sources used in the report.

4. Will you please talk over these possibilities with your people and let me have a reply covering your views by 1 October?
